TABLA COMPARATIVA LUMINOSIDAD VS WATIOS

La tecnología LED avanza de manera imparable, por lo que cada día aparecen productos en el mercado con **mayor luminosidad y menor consumo**, es decir, mayor eficiencia energética... ¡que no te engañen!.

Máximo ahorro

Máxima eficiencia

¡+60%!

* Vida media calculada en base a un uso doméstico de 2.5 horas/día
Los valores LED (W) están basados en productos AS de LED ® a fecha diciembre 2014

**¡OJO! AL COMPRAR LED
NO COMPRES WATIOS...
¡COMPRA LÚMENES!**

VARIOS FABRICANTES OFRECEN PRODUCTOS LED BASÁNDOSE EN WATIOS PERO
CON UNA BAJA EFICIENCIA Y, POR LO TANTO, ¡POCA LUMINOSIDAD!
